All applications must be received no later than June 30, 2008.

All applications are kept strictly confidential. The maximum number of attendees in each class is twelve (12). Three alternates will also be selected to cover possible cancellations.

Application Submission Requirements

- Complete the enclosed Application Form in its entirety.
- Submit two sets (3 if applying for both courses) of three (3) photos of your engraved work with the application form. Photos submitted should be produced on quality photographic paper. Both matte and glossy finishes are acceptable. Other formats including photos sent on CD or via email will not be accepted. - Engraved work shown in the photos must be on metal. It may be on a firearm, knife, jewelry, or any other metal medium.

After the closing date for receipt of applications, all candidates' photos will be reviewed to remove identifying marks, names, etc. They will then be assigned a number known only to Glendo management. Photos will be sent to the class instructor who will select 12 students based on work shown in the photos. Instructors do not have access to names until after the selection process.
